"Our annual golf tournament is just one of the many ways our members are giving back and enhancing the quality of life in our community. This year's tournament was a huge success in terms of REALTOR® engagement and the amount of items donated to the auction" said KWAR President Tony Schmidt, "As REALTORS® we are very proud to support Habitat for Humanity in their mission of building affordable housing and promoting homeownership as a means to break the cycle of poverty. It's nice to see everyone come together to support a good cause, and have some fun".
